Gas Cap Opener

ASSEMBLY GUIDE

Assembly Instructions

Step 1

Insert the octagonal pin into matching slot on one side of the handle.

Gas Cap Opener

ASSEMBLY GUIDE

Step 2

Align the octagonal hole on the second handle with the pin and press them together.

ASSEMBLY GUIDE

Step 3

Screw the knobs onto the threads on the handle. You may need to twist the handle slightly to align the threads. The knob will be tight, and a pair of pliers can be used to fully tighten them.
